## TECHNICAL SKILLS

---

**Languages:** HTML/CSS, Nunjucks, JavaScript

**Spoken Languages:** Fluent English, Fluent Greek

**Frameworks:** React, NextJS

**Developer Tools:** VS Code, Wix

**Other:** SCSS, Git, GitHub, Domain Configuration, Basic AWS Experience, Headless CMS configuration, 11ty

## ABOUT ME

---

When it comes to assisting clients, customers or collaborating with team members, I succeed on making a positive impression and creating a favourable impact.

I love coordinating efforts and creating a collaborative environment. Adapting to new surroundings is something I do fast.

What fuels me is the eagerness to learn new stuff, as I enjoy the process of it, and using that new knowledge to solve problems.

I am committed to being punctual, never running behind schedule. I take my responsibilities seriously and am committed to both personal and professional growth.

In a couple of words, I am *teachable, quick, punctual, collaborative, assistive* and *adaptable*.

## PROJECTS

---

**Marketing Agency Website** | *Wix, AWS, SMTP Server Setup,*
